Beaver Meadows – Aid and Attendance Policy

According to the VA, these are the maximums available:

Veteran	*\$1801.00/month (married veteran with a surviving spouse) *\$1519.00/month (for veteran alone)
Widow	*\$976.00/month

Here's how the process works:

- On the day a resident moves in, Beaver Meadows will give the resident/responsible person a letter stating that the resident is living at Beaver Meadows and the daily room rate.
- The resident/responsible person is then able to submit the application to the VA and get the process started.
- When the benefit is approved, the VA will retroactively reimburse the resident/responsible person for costs back to the first day of the month following the application being filed.

Please keep in mind:

- Beaver Meadows will not wait for payment from the VA. When a resident moves into Beaver Meadows, the resident/responsible person is responsible for full payment to Beaver Meadows. When the application is approved by the VA, the benefits are paid directly to the resident/responsible person, not to Beaver Meadows.
